

McKean Hospital Christmas for the Poor

*Hello I have Aids I am from Burma,
I am also very poor. I don't know the Lord.
Please pray for me.*

We brought Christmas to the poor and needy in old former Leprosy hospital, a hospital for the down and outs with no hope. Jesus is their only hope. These people are from multiple people groups and many don't know the Lord Jesus. They have every kind of disease and have suffered every kind of road accident or other form of accident that you can only begin to imagine. Many have also been tortured, especially the refugees from Burma. Christmas brought with it tear of joy and hope for these poor downcast in this country. Thank you DCI these really are the Lost, the Last and the least. Please pray for them daily that God will have grace and heal them and save them all AMEN.

We gave gifts of fruit and cakes and other gifts of toiletries, chocolates, toffee and biscuits.

(2 Timothy 2:2) The things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others."

(Matthew 5:16) "Let your light shine before men, that they may see your good deeds and praise your Father in heaven."

(2 Corinthians 4:6) " For it is the God who commanded light to shine out of darkness who has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ."

(2 Corinthians 4:4). As new covenant servants, we proclaim "the light of the gospel of the glory of Christ" While we hold forth this magnificent message, we earnestly pray that God will prepare darkened hearts to embrace the redeeming light of His grace. We confidently expect that each person who responds will experience a miracle more distinct than when light first shined into the darkness of creation. **AMEN**

50 poor people at the McKean hospital received Christmas for the poor, from these 50 people there are multiple people groups. The young man top right corner is Shan he is 21 years old he lost his legs in an accident been in hospital for three years. He received Christ just under one year ago. The young boy in pink shirt was seriously burnt in a house fire he is 10 years old and been in and out of hospital for over two years. All are very poor and needy.

While we hold forth this magnificent message, we earnestly pray that God will prepare darkened hearts to embrace the redeeming light of His grace. We confidently expect that each person who responds will experience a miracle more distinct than when light first shined into the darkness of creation. **AMEN**
