

# Akha Hilltribe Village Chiang Dow

23, December 2006 we brought Christmas to the poor and needy in Chiang Dow, Chiang Mai to over 600 Akha Hilltribe people. Jesus is their only hope. These people are originally from Tibet and from the 600 people mentioned above only 100 are regularly attending church and call themselves Christian's. In reality only a handful are truly born again, or born of the spirit of God. Many are living a community life in the flesh but are truly dead to the life we all enjoy in and through Christ. They don't know the Lord Jesus Christ and all need to be resurrected into life with Christ. Please pray for them all. We have had new believers raised in this church and in this area before and it may have happened this time. The Asian culture is very unpredictable and with their cultural shyness many may have received Christ but were unwilling to come forward or to shy to raise their hands. All have one thing in common they are all extremely poor and they are all in desperate need of the love and life which only Christ Jesus can bring. Thank you DCI these really are the Lost, the Last and the least. Please pray for them daily that God will have grace and save them all **AMEN**. We fed the entire village, they contributed with rice and vegetables we supplied the meat and each of the children received a Christmas gift. **"We supplied the meat" think about this?**

(2 Timothy 2:2) The things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others."

(Matthew 5:16) "Let your light shine before men, that they may see your good deeds and praise your Father in heaven."

(2 Corinthians 4:6) "For it is the God who commanded light to shine out of darkness who has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ."

(2 Corinthians 4:4). As new covenant servants, we proclaim "the light of the gospel of the glory of Christ" While we hold forth this magnificent message, we earnestly pray that God will prepare darkened hearts to embrace the redeeming light of His grace. We confidently expect that each person who responds will experience a miracle more distinct than when light first shined into the darkness of creation. **AMEN**
